JA ImpleMENTAL Member State Policy Committee meeting
& Hybrid seminar with WHO within the Framework of MSPC
to maximize policy alignment and sustainability efforts

Copenhagen, Denmark

6-7 March 2024

Meeting Title	JA ImpleMENTAL Member State Policy Committee meeting	Meeting Date/Time	6 March 2024
Meeting Location	Copenhagen, Denmark UN-city, Marmorvej 51-2100 6-7 March 2024 Room: 0.9.34 – Yangtze Zoom link: https://who.zoom.us/j/98237834503 Meeting ID: 982 3783 4503 Passcode: WHO_JA2024	Meeting Type	Hybrid
Meeting Organiser	Greek National Public Health Organization (NPHO) & World Health Organisation European Region	Issue Date	Draft v 8, Feb 2024

Key objectives of the meeting are:

- to provide an overview of current JA ImpleMENTAL status and to Highlight some of the activities, to the MSPC members to bring everyone on board
- to show case examples of how the strong collaboration between MSPC members and Country Coordinators has been an enabler for the project activities and the successful transfer and pilot implementation of the best practice.
- to provide input how the pilots plans (strategic areas and activities) or for participating countries the country profiles and reports have been aligned with the current national strategies or future activities
- to brainstorm with and engage MSPC members in dialogues on how the activities of JA ImpleMENTAL can be sustained and embedded in National strategies and how the Network expertise can be sustained
- to prepare the agenda of the MSPC in Athens which of course we wish to be formulated by MSPC with the support of country coordinators (the agenda may include a show case of selected successful activities and results that can be presented, discussions on the finalisation of sustainability plan and will be complemented with further capacity building by WHO)
- Provide the exceptional experience of visiting the WHO European Region Office and participate in capacity building activities prepared by the WHO team for the MSPC members
- But of course, one of the key objectives also is to enjoy this team building exercise of the Network of MSPC members across Europe.
